EMAIL ADDRESS \_\_\_\_\_

MAKE & MODEL OF SIGHTS (FastDot H3™, LiteWave®, etc.) \_\_\_\_\_

MAKE & MODEL OF SLIDE \_\_\_\_\_

HIVIZ REFERENCE NUMBER (If you have pre-ordered sights) \_\_\_\_\_

Sight installations are meant to be semi-permanent and removal of sights may cause damage and prevent reuse. HIVIZ® will return the original sights, when possible. However, given the option of damaging and/or destroying the original sights vs. damaging your slide, we will always opt for the possibility of damaging and/or destroying the original sights.

Handgun sights will be installed on centerline of the slide unless the original sights show an offset, in which case our sights will be installed as close as possible to the positioning of the original sights. In either case, this may require an adjustment of the rear sight by the customer to bring point of impact (POI) to the point of aim (POA).

Customer orders will be subject to a 6% Wyoming state sales tax on sights purchased, labor and shipping charges.

Handgun slides are not considered firearms by the ATF, so you can send them using your chosen shipping method without disclosure of contents. If you choose to declare the contents, you can list as “small, machined parts.” We suggest insuring the slide for at least 50% of the current cost of the firearm. We DO NOT suggest that you use a padded mailer/envelope when shipping a slide as the sorting machines could tumble the slide causing the envelope to tear and open. Please ship in a small quality box with packing material.

Our sight installation turnaround time is dependent upon our current work load. Our goal is 1-2 weeks for reserved installations that do not require machining and sights are in stock. We suggest that you call ahead to set up installation and to verify sight availability and to hold your sight set. If sights are temporarily out of stock, you can preorder a sight set and HIVIZ® will notify you when to ship your slide. Slides will be returned via UPS Ground, FedEx Ground or FedEx Home Delivery with an Adult Signature required. For further information, refer to our Installation Services page on at [www.hivizsights.com](http://www.hivizsights.com)

Hours of Operation: Mon-Fri, 7:30am - 4:30pm MST
